Jubilee Gardens set for grand reopening

SEATON'S Jubilee Gardens will officially re-open on Saturday (May 4th) following £35,000 worth of eagerly awaited improvements.

just right for the local community, and members are hoping people will support the grand opening event.

In 2011, the large water feature based in the gardens was costly to maintain, worn out and often broken, so EDDC asked Seaton residents for their thoughts on how to improve the look and feel of the local gardens. This led to a main proposal incorporating ideas from the

feedback received. During EDDC voting events in 2012, residents could choose between repairing the broken water feature or a brand new design for Jubilee Gardens. The winning option, with 60 per cent of votes from 139 Seaton residents, was the new design derived from several common

ideas that came from the community.

Councillor Steph Jones, EDDC's Member Champion for Seaton, said: "I want to thank all the residents who took part in the re-design of Jubilee Gardens."

"You felt that upgrading Jubilee Gardens is the way forward, creating more of a communal area, encouraging people to use the gardens more regularly."

"I've been watching the work with interest and I am looking forward to seeing the finished design."

Seaton town councillor Gaynor Sedgwick helped by delivering EDDC's letters to the houses around the gardens to make sure residents were kept informed, and also helped to staff the voting events.

She added: "I was delighted to help and encourage Seaton residents to have their say."

"The new gardens look splendid. EDDC have done an excellent job in refurbishing these lovely gardens and I'm sure they will be used even more by visitors and local people."

The official opening event will run from 11am until 1pm, with the ribbon cutting taking place at 11:30am.

The event will include entertainment from acoustic bands in the amphitheatre area and giant outdoor games with members of Seaton Chess Club.

Helping heroes

■ STAFF at Paul's Bakery in Seaton have been busy raising stacks of cash for Forces charity, Help For Heroes, with a colossal cake sale.

Filling their shop with red, white and blue bunting, a giant banner and tons of cupcakes, the bakery has held a week-long fundraising cake sale for the charity.

Alongside a sea of colourful cupcakes, the bakery has also been selling Help For Heroes wristbands and flag pins.

Vine hat-trick boost Tigers

AXMINSTER Town bounced back the previous week's embarrassing no-show at Stoke Gabriel to record their first South-West Peninsula League Division One (East) win of the year as Alphington were beaten 4-1 in a clash at Sector Lane on Thursday evening.

Ben Vine was the star of the show with a superb hat-trick and Martyn Hancock chipped-in with the other.

But the Tigers couldn't back this up on Saturday when two goals from Hancock couldn't prevent a 3-2 defeat at Plymstock United.

Axminster, currently lying 11th in the table, were due to make the short trip to Manstone Lane tonight (Tuesday) to take on bottom-of-the-table neighbours Sidmouth Town.

SIDMOUTH Town recorded their first South West Peninsula win of the season on Friday when they beat their Crediton United 2-1.

Crediton are now only four points ahead of Town in 15th. Earlier in the week, on Tuesday, Sidmouth narrowly lost 1-0 to Alphington.

On Saturday, Town face mid-table side Exeter Civil Service. The last time these two sides met Service came out convincing winners in a 4-1 victory.

This week's local news in numbers

2,200 THE number of miles three East Devon men are planning to cycle along Route 66 in America to raise money for The Firefighters' Charity.

12,000 THE number of square feet being allocated for employment on the former Axminster Carpets land at Cloakham Lawn now owned by Bovis Homes which will provide extra jobs for Axminster.

£7,500 THE amount raised by the Fouracre sisters in Colyton and friends by having their hair chopped off in aid of a charity that helps skin condition sufferers.

Head will not return to school

HEADTEACHER Christine Hollidge will not return to All Saints Primary School, it has been announced.

The announcement was made last week and ends speculation that has been going on throughout the 17-month dispute.

A union representative has stressed there are no disciplinary or capability reasons why the long-serving headteacher will not return to the school.

The long-running dispute appeared to have been resolved last week when it was announced that Mrs Hollidge will not be employed by the school after April 30th.

But Steve Cleverly of The Association of Head Teachers (NAHT) said they are reviewing their options and indicated that further action may be taken.

Parents were given a letter from chairman of governors, Michelle Perryman, on Tuesday, April 23rd saying: "I am writing to you on behalf of the governors to confirm that, following an internal process at All Saints C of E Primary School, the headteacher, Mrs C Hollidge, will no longer be employed by the school after April 30th.

"I hope you will appreciate that this is an internal matter and I am unable to go into more detail. The governors recognise that this has been a difficult time for all parties involved.

"We trust that now this matter has finally been resolved, all the staff, pupils, and parents at the school will be able to work together in ensuring the best outcomes for every child in the school.

"Martin O'Mahony will continue as acting headteacher whilst the governing body has the opportunity to consider the long-term leadership of All Saints C of E Primary School."

AXMINSTER

Cloakham plans

THE new owner of former Axminster Carpets land at Cloakham Lawn aims to submit a full planning application this summer.

Bovis Homes bought the land from the 'old' Axminster Carpets just before the latter went into administration earlier this year for an undisclosed sum.

The land comes with outline planning permission for up to 400 dwellings and up to 12,000 sq ft of employment space.

A Bovis Homes spokesperson told Pulman's View: "Building new homes will bring a significant economic boost to the area with the creation of jobs throughout the supply chain, and we are keen to develop a positive relationship with the local community and play our part in the future prosperity of the town."

From the editor's chair Big hearts, big deeds

I NEVER cease to be amazed by the social consciousness demonstrated on a daily basis by those who live and work in *Pulman's Country*.

It would be interesting to find out, but impossible to calculate, just how much is raised for worthy causes, both local and national, by the readers of this newspaper. It would surely run to hundreds of thousands of pounds every year.

I've often commented in this column about David Cameron's "Big Society" vision; well, the "Big Society" has been alive and kicking in East Devon for as long as I can remember.

Not a week passes by without a reference in this newspaper to individuals, or a group of local people, who attempt all sorts of crazy challenges to raise much needed cash for just about every charity you can think of or put themselves out of their comfort zone to help others. Recording their achievements and great personal sacrifices is one of the most rewarding parts of editing a local newspaper.

This week's issue is no exception with two good examples on our East Devon page which runs throughout all six of our editions.

On page 5 we report on the plans of three young East Devon men - Jon Gooch, Anthony Blythe and John Mathieson - who are planing to cycle the 2,200 miles across America on Route 66, from

Chicago in the east to Santa Monica Pier in the west. Some ride!

When questioned about the enormity of the challenge, former soldier Jon commented: "I'm sure we will be fine. I'm a believer."

Inspired by the Fire Brigade in Ottery St Mary, the three will be raising money for The Firefighters' Charity (formerly the National Firemen's Benevolent Fund), an excellent cause. My father was a retained fireman for 25 years and when he died the charity was extremely kind to my mother. They do excellent work.

On the same page we also tell the story of East Devon District Council employee Sulina Tallack, who has won a Rotary International Scholarship to spend a month on an exchange visit to South Korea where she will be working on community and social projects - an experience of a lifetime.

Other examples which epitomise the community spirit in *Pulman's Country* are featured on other pages - the Colyton's Fouracre sisters and friends raised more than £7,500 for a charity supporting skin sufferers - by having the hair chopped off - and a group of friends in Axminster are doing all sorts of painful things to make the wishes of sick children come true. Inspirational. All of them.

HONITON

Protect the shops

TOWN council attempts to protect the shopping landscape of Honiton have received a blow.

Honiton Town Council and other concerned parties, including local district councillor John O'Leary, wish to retain as much commercial space as possible on High Street to encourage trade.

But planners have gone against their wishes by supporting plans to convert an empty High Street shop to a flat. Planners are backing plans to turn 21 High Street into a flat.

The planning application will be heard by East Devon District Council's Development Management Committee on Tuesday, May 7th.

The town council objects to the application on the grounds of the loss of a High Street shop.

COLYTON/SEATON

Volunteers walk out on charity

THE Brainwave charity shops in Colyton and Seaton have closed after a mass walkout by volunteers.

Volunteers have complained about the way their manager, Carl Matthews, has been treated by the charity's local management team and eventually walked out after he was made to spend all his time at the Seaton shop.

Colyton volunteer Liz Berry said the shops had seen many managers come and go over the past few years but Mr Matthews had held the position for two and half years, during which he "earned the respect of volunteers and was popular with customers".

She said: "It has never been easy between Carl and the management team. After sitting in on several meetings with them I don't know where they learnt their retail management skills and they have no people skills at all."

In a letter to Brainwave's headquarters, Mrs Berry added that Mr Matthews' confidence as a store manager had been "undermined" and complained that no one from the management team had attended local fundraisers, including a successful fashion show.

Mrs Berry said the final straw was Mr Matthews being forced to spend all his time in the Seaton store and had to cancel a fundraiser in Colyton.

OTTERY St MARY £12,000 boost for help scheme

AN OTTERY St Mary-based charity received a massive boost when awarded a £12,000 plus grant.

The money will be used to increase the charity's profile and boost the help available.

Ottery St Mary and District Help Scheme is based at Coleridge Medical Centre and helps people in the area in various ways.

Among other things, the help scheme provides transport to and from medical appointments, nail cutting services, bereavement support, a memory café for people with dementia and their carers, visiting and befriending and much more.

Ottery St Mary and District Help Scheme also runs a project called Spotlight on Ottery Help.

Help scheme chief officer Jane Davies said: "Spotlight on Ottery Help is a short-term 12-month project aimed at creating awareness.

"We plan to promote the help scheme across the parishes and increase awareness to those who may need support; to those who wish to give some time to volunteering and to those who would like to donate.

"We want to reach out to everyone one and 'give a little help when it's needed most'.

"The reason we have not been able to reach out to more people is that we do not have the capacity to do so. The Spotlight project will support us to make this happen."

Fundraising trio don't mind the cold

IT WAS a chilly day for a trio of fundraising youngsters who decided to forget about getting dressed and arrived on Seaton seafrofront in just their boxer shorts.

The three teens - Nathan Vincent, Charlie Herbert and Jamie Salter from Axe Valley Community College - decided to do their bit for the testicular cancer awareness cam-

paign. Check 'Em' Lads, by running in their underwear from Seaton to Beer and back.

Jamie, who came up with the idea for the fundraiser, said: "I was really keen to do something for charity and this seemed like a great way of raising money and awareness for such a worthy cause - if not a little mad."

"The run was an amazing experience and once we got started it wasn't even that cold."

"We did run in to the local police though. A lot of people thought it was a really good idea but it seems the older generation didn't enjoy it."

"We raised £135 for the charity and hopefully raised awareness amongst our peers."

Mass walkout at charity shops

THE Brainwave charity shops in Colyton and Seaton have closed after a mass walkout by volunteers.

Volunteers have complained about the way their manager, Carl Matthews, has been treated by the charity's local management team and eventually walked out after he was made to spend all his time at the Seaton shop.

Colyton volunteer Liz Berry said the shops had seen many managers come and go over the past few years but Mr Matthews had held the position for two and half years, during which he "earned the respect of volunteers and was popular with cus-

tomers".

She said: "It has never been easy between Carl and the management team. After sitting in on several meetings with them I don't know where they learnt their retail management skills and they have no people skills at all."

In a letter to Brainwave's headquarters, Mrs Berry added that Mr Matthews' confidence as a store manager had been "undermined" and complained that no one from the management team had attended local fundraisers, including a successful fashion show.

Mrs Berry said the final straw had

been the recent reorganisation of management, meaning Mr Matthews was forced to spend all his time in the Seaton store and had to cancel a fundraiser in Colyton.

Mr Matthews subsequently resigned, as did the deputy manager who was forced to work in the Honiton store, followed by all volunteers.

A spokesperson for Brainwave said: "Whilst we are disappointed that a member of staff has decided to resign from their position, we do not discuss staffing matters with the media."

Development plans scaled down

THE area of land between Seaton and Colyford proposed for housing and industrial development has been reduced in size.

East Devon District Council has received an amendment to the original plans for 172-homes, light industrial area, play area, two football pitches, multi-use games area, pavilion, parking and new spine road on land east of Harepath Road, Seaton.

Amendments have been made to the proposed development zones and layout, with a reduction in the indus-

trial zone, reduction in site area and additional green infrastructure.

Many residents raised objections to the original plans, with one of the main complaints being that the green wedge between Seaton and Colyford should not be developed.

The changes can be viewed on the planning section of East Devon District Council's website www.eastdevon.gov.uk by searching for application number 12/1185/MOUT.

The plans are also available to view at Seaton Town Council offices from 9am to

12noon on Tuesdays, Wednesdays and Thursdays.

Comments on the plans must be submitted by May 7th.

May Day fun

MAY Day Celebrations will take place at Combe Farm, Axmouth on Monday, May 6th from 2pm until 5pm.

There will also be a chance to explore the library in the sanctuary and buy some second hand books, and see how the community woodland orchard is growing, whilst following the letterboxing trail.

There will also be a place to make May Day crafts, and a place to enjoy teas, homemade cakes and nettle scones.

Bakery's help for heroes

■ Continued from page one

Sims from the bakery, who wanted to do her bit for charity.

She said: "I wanted to do something for Help For Heroes last year, but everything came round so quick so we weren't able to."

"I have already taken part in Cancer Research UK's 'Dyathlete' event this year, but was determined to do something more for charity so it has been great to get the ball rolling."

"We have had a huge amount of support already collecting more than £60 in a few days and I am so

pleased that the local community have come down and done their bit for Help For Heroes."

"The charity provides great support for those wounded in the Forces from our country. Help For Heroes ask everyone to do their bit and we are doing ours."

"We are so grateful to those who have donated and bought cakes."

"All money raised is used to build facilities and provide services that give our wounded heroes the best support and chance of fulfilling a happy future."

Sulina is spending a month in South Korea

EAST Devon council employee Sulina Tallack will be swapping the beaches of Lyme Bay for the coastline of the Yellow Sea when she spends the next month on an exchange visit to the South Western region of South Korea.

Sulina (pictured) who works for EDDC in Sidmouth as a development management officer, co-ordinating Section 106 contributions from developers, will be making the trip as part of a visit arranged by Rotary International.

On Sunday 28 April she will be travelling the 5,500 miles with two other young professionals – police officer Ed Vallins and lawyer Lucy Seymour – and team leader Sally Wilcox – acting as cultural ambassadors for Devon and the UK.

At the same time, a similar team of South Koreans will travel to Devon.

The opportunity has been provided by Rotary International, and is known as the Group Study Exchange (GSE).

During May, the team will travel throughout their host province of Jeollanam-Do, the South Western province of South Korea.

Each team member will stay with host families, and the team will visit Rotary Clubs to provide a pre-prepared presentation on the topic of peace and conflict resolution – the theme of the exchange between Devon and Jeollanam-Do.

The team will also engage in vocational visits to learn and exchange ideas and visit businesses and governmental departments to explore local issues and initia-

tives. Among the places they will visit are temples, museums, a fish farm, sports stadiums and an industrial complex, to take in a wide range of South Korean culture and daily life.

In preparation for the exchange, each team member has considered how they contribute to the general theme of peace and conflict resolution within their professional lives.

The team aim to share their thoughts and insights as to their professional contribution to peace and conflict resolution by way of a prepared presentation that will be delivered to Rotary clubs within Jeollanam-Do.

Sulina and her colleagues also aim to learn, via their cultural and vocational visits in the province, about conflicts which develop locally and methods that are used to resolve such conflict.

Social projects

The team's presentation will cover restorative justice through Ed and public interaction with the English Legal System through Lucy. Sulina, previously EDDC's Funding and Engagement Officer, will concentrate on major infrastructure projects as well as community involvement in decision making and the delivery of social projects.

She said: "The intention of this exchange is to foster international relations and support the development of young professionals in addition to raising awareness of Rotary's initiatives.

■ LONG-HAUL: John, Anthony and Jon in cycling kit during a visit to Ottery Fire Station

Trio planning to cycle across America for firefighters' charity

THREE East Devon twenty-somethings have formed a team to cycle across the United States in just over two weeks, following the famous Route 66.

The leader of the pack is Ottery resident Jon Gooch, who recruited Anthony Blythe from Woodbury and John Mathieson from Honiton. Jon is a former soldier who spent seven years with 1st Battalion, The Rifles, which included an operational tour in Iraq.

These days he is a team leader at Sainsbury's in Ottery, and he is also a retained firefighter. John also works at Sainsbury's and he lives in Honiton.

The cycling will be undertaken by Jon and John, with Anthony driving the support vehicle and also being listed as reserve cyclist should

the need arise. Anthony is a plasterer who has known Jon for years.

Jon, John and Anthony will start their 2,200-mile plus adventure on June 3rd in aid of The Firefighters' Charity, setting out from Chicago and aiming for Santa Monica Pier.

Jon has always liked a challenge and, when asked how the Route 66 gig came about, he simply said: "I dreamt it up one day."

A believer

Being an ex-soldier he was physically fit, but he had never cycled any longish distance.

The most he has completed in one go to date is 140 miles, a little short of the 160 miles daily average they plan in the US.

He said: "I'm sure we'll be fine. I'm a believer."

The team was complete about eight months ago, and Jon explained: "The firefighters in Ottery are such great men, and really do work very hard to provided the best service they can.

"With this in mind, we wanted to support the men who support us.

"If being an army family taught us anything, it is that you do not have all the time in the world to do these things and when you need help, you need help.

"The amount I would like to give the charity is £2,000-£3,000."

Jon and his fellow team members would be very grateful for donations.

Attempted theft at Tool Centre

A WINDOW was damaged during an attempted burglary on the Millwey industrial estate in Axminster.

The attempt was made at Axminster Tool Centre sometime between 12noon on Saturday April 27th and 6am on Monday April 29th.

PC Simon Rodgers said: "No entry was gained but considerable damage was caused to the window.

"Police are appealing for witnesses and if anyone saw anything suspicious during this time frame, contact police on 101 quoting crime reference KA/13/223."

PC Rodgers would also like to make all local business owners aware of the need to make sure that, whilst premises are left unattended, they have adequate security measures in place and that any CCTV systems are checked to be in full working order.

Children's Society coffee morning

THE Axminster branch of the Children's Society will hold its spring coffee morning on Thursday May 2nd in the Church Rooms from 8.30am-12noon.

There will be stalls, a raffle and refreshments.

The society (formerly called The Church of England Children's Society) supports vulnerable children and their families.

Museum is staying put for time being

By Anders Larsson
anders@tindlenews.co.uk

IT WILL be business as usual at Axminster Museum for at least another year.

Those attending the museum annual meeting were reminded that this month should have seen the opening of Axminster Heritage's Thomas Whitty House visitor centre, of which the museum would have been a part.

But museum chairman Laurence Hitchcock told the AGM: "Unfortunately it didn't turn out like that."

The former Axminster Carpets company was heavily involved in the funding of the heritage centre, but the recent administration and formation of a new carpets company mean the money is no longer available.

This, in turn, means that some match funding has been lost - so the new plan is to apply for "a substantial amount" from the Heritage Lottery Fund.

Although a setback, Mr Hitchcock remained upbeat and said: "There are positive signs on the horizon."

Financial surplus

On a separate issue, he thanked stewards and everybody else who had helped during the past year.

Treasurer Chris Painton was also upbeat, and said: "The main headline is that there is a surplus of £343.99 for year ending December 31st 2012."

That compares well to the previous year's deficit of £305.77, and Mr Painton added: "The main reason is the Rotary lottery and Di Church's fantastic effort in selling lottery tickets to anyone and anything that moved."

He explained that the Rotary lottery had generated £850.50 last year, compared to £165.60 the previous year."

The AGM on April 23rd concluded with a talk on old Lyme Regis, by local historian Les Berry.

The museum will open for the new season on May 7th.

Tea party to celebrate Vera's 90th birthday

THE friends of Axminster resident Vera Connett held a tea party to celebrate her 90th birthday.

Vera turned 90 on Monday, April 29th and the tea party was held a few days earlier in Axminster Senior Citizens' Centre.

Many will remember Vera as a dispenser in J.O Llewellyn, now Morton's Pharmacy.

Her parents ran the stores in Lyme Road and Vera was educated at Colyton Grammar School.

She was an active member of St John Ambulance, the Women's Institute, Axminster Care Service and walking groups.

Her friends say she has a wealth of stories to tell and a fine sense of humour.

■ MANY HAPPY RETURNS: Vera (middle in front row) and her friends had a great tea party

■ CLERK OF THE RIVER: A measurement is reported and carefully recorded

The railway workers who spend their life in the river!

AN Axminster resident thought black sea lions were playing in the water beneath the railway bridge at Weycroft.

Allan Howlings was out enjoying a leisurely walk when he made an unexpected and strange observation.

On closer examination, however, it emerged that two human beings were in the water.

Mr Howlings explained: "From a distance it looked like a couple of black sea lions playing by the railway bridge."

"When I got up to the bridge I saw a very strange sight of one man with a very long meas-

uring stick swimming along by the bridge and checking the depth.

"The other man was very casually treading water, taking photographs and writing information on a clipboard."

Mr Howlings stopped to have a chat with the men, and subsequently told *Pulman's View*: "You could say that this is just another day at the office for these two chaps who actually work for the railway."

"They may not be interested in the floods that we keep on having, but they are very possessive about their railway bridge."

Flying the flag on St George's Day

THERE was an air of patriotism and excitement in Seaton when businesses and residents came out in force to celebrate St George's Day.

The town was a hive of activity and colour last Tuesday when many businesses decked out their shops and windows with the St George's Cross as they did their bit to support the event.

by Laura Goldsbury Noy
laura@pemedi.co.uk

Many shop windows were decorated with the flag of England, with businesses pledging their support for the national celebrations.

ENGLISH ROSES | Mark Hammett of Just Flowers put on a striking floral window display and sold red roses to celebrate the day

Speeding crackdown

SEATON police have been cracking down on speeding in the town and are seeking to monitor motorists as often as possible.

Police officers were deployed on the roads of Seaton to carry out speed enforcement from April 16th-18th.

PC Darius Norton and PCSO Chris Bolsover were deployed on Colyford Road, Seaton Down Hill, Axmouth Straight and Harepath Road at various times throughout the three days. This action resulted in five drivers

being reported for exceeding the speed limit and one driver being reported for not wearing a seat belt. A number of other drivers were stopped and educated about road speeds and safety.

Speeding is one of the main priorities for Seaton police, having received feedback from the community.

The above action coincided with a European wide Speed Enforcement campaign week running between April 12th and 19th.

This campaign was being coordinated by 'TISPOL', which is an organisation that has been established by the traffic police forces of Europe in order to improve road safety and law enforcement on the roads of Europe. Speeding is one of the 'Fatal Four' driving offences alongside drink driving, using a mobile phone and seatbelt offences.

Officers will continue to deal with speeding within the Seaton area and will seek to educate motorists about road safety throughout the year.

Mrs Pratt has been running the East Devon Artists for Charity group since 1992, and over the years has raised more than £170,000 for charitable causes.

She was recently awarded an MBE by the Prince of Wales at Buckingham Palace for her work raising money for charity through art.

The exhibition, which is being held in the Station Gallery, will feature work from artists including Barry

Mason, Helen Workman, Michael Stride, John Hoar, Michael Beach, Bob Bradshaw, Rosemarie Bentley, Roy Lang, Christina Ulanda and Peter Lund. As well as paintings on display, there will be pottery, ceramics and glass.

Entry to Pecorama's spring gardens is free until Friday (May 3rd).

French market next weekend

MARKET organisers are promising to bring a 'great range' of produce from all over France to Seaton.

Seaton Chamber of Commerce has invited Le Marche de France for a market in Thury Harcourt Place, The Underfleet, on Sunday, May 5th from 9am until 4pm.

Marcus Hartnell of Seaton Chamber of Commerce said: "There will be a magnificent cheese stall with a truly enormous selection of French cheeses.

"Bread will be baked onsite, in front of visitors, and the smell of bread, croissants and patisseries should hopefully spread to the whole town centre.

"There will also will be the charcuterie with wonderful sausages, olives, Turkish delights, smoked ham and terrines, mustards and sauces.

"For those with a sweet tooth, wonderful natural honeys as well the hugely popular takeaway food stall will be on display. For those with a

small space left, the sweet stall will also be making fresh pralines, almonds and cashews on site.

"Those who like the south of France, will find soaps from Marseille, colourful baskets and a great range of tablecloths from Provence - so don't forget to measure your tables before coming.

"Enjoy shopping with us and, whilst visiting Seaton, take a stroll around the shops and beautiful seafront. Oh, la la!"

Bufs' boost for children's hospice

MEMBERS of the Ye Rattenbury Lodge in Beer gathered for a celebration evening when they handed over a cheque for £1,107 to the Children's Hospice South West (CHSW).

The brothers of Ye Rattenbury Lodge of the Royal Antediluvian Order of the Buffaloes, also known as the Beer BUFFS, hold an appeal fund every year from April to April, and this year were pleased to support the CHSW.

Money raised came from general draws and collections held at the group's various meetings throughout the year.

At their celebration evening, they were joined by community fundraiser for the CHSW, Paula Hullett, who was grateful to the group for raising such a huge amount.

Paula told the group how important the money was, explaining that the charity provided care for children from the moment they are diagnosed with a life limiting illness, right through to end of life care.

Paula also explained that a child with a life limiting ill-

by Laura Goldsbury Noy

ness not only suffers themselves, but that the whole family can suffer and it can be the 'hardest journey a family ever has to make'.

She told the gathering that whilst the primary focus is on the child, the family will continue to be supported even after their child has died, and that the hospice offers support to everyone who needs it.

Mrs Hullett said: "I would like to thank the brothers of Ye Rattenbury Lodge for their overwhelming support and the huge amount of money handed over today.

"The three hospices in the South West may sound like sad places, but in fact they are one of the happiest places in the world, with all the cares and worries of families being lifted the moment they arrive.

"Every member of a family is looked after, loved and supported and that alone is priceless.

"Hospices support the whole family - the ill children,

the parents and the siblings - and they really are special places, allowing families to form relationships with others who are in similar situations and giving them a place where all their worries can be taken away."

Mrs Hullett went on to tell the exceptional story of one child whose best memories came from the hospice.

Each year, CHSW organise the 'Goodridge Fly Day' at Exeter airport, a special event that gives up to 350 children the chance to fly in an aeroplane for the day.

As part of the day's activities, a 'Britain's Got Talent' style competition also takes place. Last year one child told organisers in his pretend interview that he wanted to be a pop star, like Elvis Presley. He later went on to sing Elvis and wowed the crowds with his voice - something nobody knew he had - and a moment in his life that he described as 'one of his best'.

Mrs Hullett continued: "Our charity is all about building memories. These children can live very short lives and we want them to experience as much as they can, so they are safe in the knowledge that they have good memories, and don't just remember being poorly.

"We are proud that we are able to produce moments like that and we are so grateful to everyone for their support."

Brother of Ye Rattenbury Lodge, Les Andrews responded: "We as brothers cannot imagine what it is like to have a terminally ill child, but what we do know is that the CHSW is an extremely worthy cause and we are proud to support the incredible work you do.

"Thank you for explaining in such amazing detail just some of the things you do for these children; you are an amazing charity."

Scouts celebrate St George's Day

THE 1st Colyton Scouts hosted the East Devon St George's Day parade for the first time in 17 years on Sunday.

Scout troupes from across the district joined in the celebration, totalling 550 scouts and leaders, including those from Seaton, Axminster, Beer, Sid Vale, Ottery St Mary, Budleigh and Whimble.

Led by the Explorer Scouts from all troupes, the parade left the Ceremtec

Car Park on Sidmouth Road and walked through the town, passing through Queen Street, South Street, Govers Meadow, Dolphin Street, into Market Place and finally to St Andrew's Church where family and friends were waiting.

A church service included a performance of "George and the Dragon", after which the scouts paraded back to the Reece Strawbridge Youth Centre for cream teas.

Tea and cakes for church friends

SUPPORTERS of Colyford's St Michael's Church gathered at Harepath Farm Bed & Breakfast for their annual coffee morning. Owners of Harepath Farm, Simon and Mary Card, hosted the fundraiser for the second time and welcomed visitors to the event, which raised £174.25 for the Friends of St Michael's Church. Guests enjoyed heaps of homemade cakes, teas and coffees as well as a raffle and volunteers also ran a local produce stall, featuring free-range eggs, homemade cakes and local treats. Pictured above are volunteers at the coffee morning - Albert and Margaret Nicholson, Simon and Mary Card, Jean Swinburne and Wendy Mills.

Spring Fair raises record total

THE National Trust Axe Valley Centre's annual Spring Fair raised a record total of £913.

The busy fair was held on Saturday at Colyford Memorial Hall, with over 200 people attending.

Stalls were set up inside, including one from Sidmouth National Trust which took an extra £85. There were also local crafts, plants, cakes and books on offer, plus a raffle and refreshments.

Outside, Jim Marks, nicknamed "Mr BBQ", author of many barbecue cook books, was serving up kebabs and chicken.

All proceeds from fundraisers are donated to National Trust properties or projects. The centre's fundraising target for the current year is £3,000 and donations have already been made to A la Ronde, Killerton, Buckland Abbey, Knightshayes Court and Branscombe Mill.

The centre also supports a project to pay for group National Trust subscriptions for local schools which allows them to visit National Trust properties free of charges.

The next fundraising event will be an Autumn Fair on Saturday, October 26th at Colyford Memorial Hall starting at 11am.

With NIGEL SPELLER

FATHER Michael Koppel writes from Axminster: We waited with bated breath on the evening of Wednesday, March 13th, after white smoke had been seen pouring from a certain chimney in the Vatican.

And then, at long last, the senior cardinal deacon appeared on the balcony of St Peter's to make the announcement everybody was waiting for.

A speedy conclusion to the conclave had suggested to some that the new Pope would be one of those generally regarded as 'front-runners'. But, as so often, the Holy Spirit had other plans!

The first decision of a newly-elected Pope is also one of the most momentous. He's asked what name he wants to take. This Pope's choice of 'Francis' speaks volumes, and makes you wonder why no Pope has taken it before.

It reminds us of one of the best-known and best-loved of all the saints, Francis of Assisi, renowned for choosing a life of poverty and humility.

But it also recalls the great Jesuit missionary of the 16th century, Francis Xavier.

Both may be seen as patrons of Pope Francis' ministry. The first weeks of that ministry have shown us a Pope who is likely to do things differently. But that's only the beginning. We know great challenges lie ahead.

Our hope and prayer must be that Pope Francis will be granted the strength for the task to which God has called him...

The Church of the Holy Family Honiton

Beer and Seaton Parish Churches give notice that Mothers' Prayers have moved to the last Thursday of the month at St Gregory's Church Seaton, and the next date is 2pm on May 30th.

Another new date - St Gregory's and St Michael's Bereavement Support Group, (Seaton & Beer) has moved to the third Thursday of the month at 2pm to 3:30pm, and the next date is May 16th.

The Archbishop of Canterbury has signalled he will back moves to change the law to allow straight couples to have civil partnerships. He offered this in support of the gay marriage bill.

The Bishop of Cyprus and the Gulf from the Companion Diocese with Exeter, has just completed an annual visit to Exeter Cathedral.

Anglican Parishes and Mission Communities are completing annual parochial meetings including election of church wardens and officers.

Those appointed for the next year have to attend a visitation by the Archdeacon of Exeter on the evening of May 28th at Awliscombe Church.

Looking further ahead, St Mary's Church Offwell has announced Music for a Summer Evening - on Wednesday, June 5th at 7pm - tickets available at Offwell Shop for £7.50, parking available nearby.

PATRICIA Bruzon grew up in Gibraltar but is now a familiar face at Axminster Country Market. After school she went to England to train as a nurse. Following her training, she went back to marry Nat. He lived across the road in Gibraltar and they had met when she was 17. The newlywed couple moved to Twickenham, where Patricia worked at a hospital before starting a family. They have three sons: Nicholas (a bank manager), Timothy (a member of rock band Wave Machines) and Michael (an art teacher and artist).

● WHEN did you move to East Devon?

We moved to Membury in 2002.

● WHAT brought you here?

We wanted to escape London but needed to be no more than 90 minutes away from Christchurch where my parents were living. We discovered Membury and decided that's where we wanted to live. My brother had told me about the area because he was re-searching our family history and it turned out that a relative had lived in Castle Hill, Axminster, in the 19th century and then moved to Gibraltar.

● HOW did you get involved with the market movement?

My next door neighbour, Hilary Craddock, said: "You like cooking, why don't you join the market?"

This was in 2002 and I liked what I saw. I like the concept. It is a co-operative and we sell each others goods and support each other.

● WHAT is your exact role at the country market?

Director of Country Markets Ltd and adviser for Devon Country Markets. But, most importantly, I'm a producer for Axminster Country Market.

● HAVE you got any hobbies?

Gardening, bridge and cooking (for pleasure). I'm the chairman of MerryMakers, which is the social committee in the village. I also edited the village magazine for eight years.

● WHAT was your dream job when growing up?

I wanted to be a doctor. But life is never as you plan it and nursing

60 seconds

was great fun - and the friends I made when training are still close friends today.

● WHAT is your favourite holiday destination?

France and Spain. I love the food and atmosphere - and I speak Spanish, which is very helpful.

● What would you do if you won a really huge amount of money?

I know exactly what I would do. I would raze the house to the ground and have an eco-friendly house, light and bright, built in the same spot.

● I would encourage people to come and join us (the market) as producers and see what we produce. I think it is special. It is open to everybody and I encourage people to come and visit.

A TOTAL of 93 runners took part in the second Kilmington Kanter to raise money for Kilmington Primary School PTFA.

Members of the PTFA would like to thank everybody that supported the event and a special thank you to the marshals around the course giving

guidance and support to the runners.

A spokesperson said: "We would also like to thank the landowners for their support with the organising of the course and last of all we would like to thank Millers Farm Shop and Ganesha Wholefoods for the excellent prizes that they

gave us for the runners of each category.

"Overall the day raised just over £900 for Kilmington Primary School which was a huge success for all involved."

A total of 67 runners took part in the seven mile multi terrain course. The race was won by Matthew Clist of Axe

Valley Runners in a time of 42:30. Second place, in a time of 42:46, was Tim Lenton of Axe Valley Runners and third place was Alex Todd of Axe Valley Runners in a time of 43:56.

The first female back, in a time 54:59, was Suzanne Spiller of Honiton running club.

Primary school fire

A FIRE broke out in a storage cupboard at Broadhembury Primary School.

Firefighters were called at about 8.30am on Wednesday, April 23rd, and a spokesperson for the fire and rescue service said: "One fire engine from Honiton attended.

"Fire crews removed the contents to the open air and the cause of fire is believed to be accidental."

After taking a well-earned rest last year, organisers have promised that this year's Stockland Fair will be bigger and better than ever.

The annual Stockland fair will take place on Monday, May 27th.

■ VILLAGERS and parish councillors gather in Shute to plant the royal oak tree and apple tree to commemorate the Queen's Diamond Jubilee

Royal oak tree planted in Shute

MEMBERS of Shute Parish Council, together with local residents and District Councillor Iain Chubb, congregated at Bettys Ground in Shute on a chilly spring afternoon to plant two trees – an oak and an apple.

The Royal Oak was purchased by the parish council to commemorate the Diamond Jubilee of Queen Elizabeth.

It will be part of the Woodlands Trust Jubilee Woods Project to plant six million trees and will be listed in the official Royal Record of Jubilee

Trees.

The council was presented with an apple tree by the Blackdown Hills Transition Group under their scheme to donate an apple tree to each Parish in their area.

Mole Avon in Axminster generously provided stakes, ties and tree guards to protect the saplings in their early years.

A long term ambition, if it ever gets warm again, will be to sit in the shade under the oak and munch an apple from the tree.

A journey through Holyford Woods

COLYTON: Members and friends of Axe Valley Heritage Association enjoyed an illustrated talk by local farmer and historian Colin Pady, who explained how Holyford Woods was saved by the community for everyone to enjoy.

East Devon District Council (EDDC) owns the woods and has leased it back on a 125-year lease.

Colin mentioned the Bluebell Walk on Saturday, May 4th when the bluebells should be at their best (transfer from Colyford Hall to the woods available throughout the day).

Holyford is an ancient woodland going back to medieval times with a public footpath running through the 70-acre woodland.

Holyford Woods are managed by a team of volunteers with expert help from EDDC and Axe Vale Conservation Society, who meet regularly to coppice the trees, clear the undergrowth, make pathways and fence off areas to stop farm animals coming in.

Doornice, woodpeckers and a host of animals, butterflies and wildlife abound in the woods.

Fallen trees are left to rot at the side of the pathways to encourage insects to thrive.

For several years the Water Board had

reservoirs in the woods and there is still a stream with drinkable water flowing through woods.

Members enjoyed the beautiful pictures of the woods throughout the cycle of a year.

Holyford Woods may be accessed from the A3052 (opposite Tower Services) or via Whitwell Lane/ Holyford Lane, Colyford. Sensible footwear advisable. It is a hidden gem in the Devon countryside.

The next meeting of the Friends of Axe Valley Trust is on May 8th when Alan Jones (a retired school teacher from Colyton) will tell us the history of Captain Henry Wilson, who was shipwrecked in the Pelew Islands.

This will be at 7.30pm in United Reformed Church, Seaton, and everyone is welcome.

More details are available from Hilary Mabon on 01297 215 72.

As the museum will open shortly, no more talks are scheduled until September 11th when John Smith is coming to talk about the Roman Army in Devon. Anyone under 18 may come along free of charge.

John will bring a Roman uniform and would be delighted to meet anyone with an interest in Roman history.

Artists enjoy dramatic demonstration

AXMINSTER: Inspired by his knowledge and love of the sea, marine artist Roy Lang gave Axminster Art Society an amazing demonstration in oil painting.

He produced two paintings of very different moods zinging with colour. One was of a rough sea breaking with foam bursts over rocks and the other of a gentler sea lapping on the wet sand.

Roy, to produce his dramatic scenes, paints rapidly using a wet-in-wet technique and a colour palette limited to eight basic colours one being Titanium White.

Working from the top of

the canvas down he applied the undiluted paint on Hog Filbert brushes, sizes 6 and 4, with a rapid criss-cross action.

Areas were blended over with a soft large Mop brush where needed.

The action of the waves were sculpted in two dimensions following the curve of the wave with the filbert brush down from the green backlit crest to the deeper shadows.

Breaking crests, and foam being drawn back into and up the waves were painted with a Rigger or Liner.

These brushes followed the direction of the water and were often rolled to give wave action effects.

The bursts of foam were applied with a rough decorator's brush. When painting the scene of the sea lapping on a wet beach, to give a more dramatic sky Roy quickly applied paint with a palette knife.

He also blended the colours as necessary with the Mop brush to achieve the effects he wanted.

The palette knife was used to apply yellow paint depicting light catching the rocks and dark colours were scrapped on the rocks to produce textures and fissures.

The colours in the wet sand reflected those in the dramatic sky but were rendered softer with blend-

ing. Strings of foam lapped forward and were drawn back over the sand using the Rigger or Liner brushes.

The enthusiastic applause given Roy showed how much members ap-

preciated this demonstration and they are looking forward to his workshop on Saturday, June 1st. Details of this and future demonstrations, workshops and other activities can be seen online.

Judith dazzles with floral displays

SID VALE: Mrs Judith Taylor gave a demonstration to Sidmouth Flower Arrangement Club entitled "Earth Treasures".

Judith comes from East Cornwall and is a qualified Judge in addition to demonstrating. She spent a little time giving members helpful tips on the entries in the members competition, which members found very useful.

Judith did five pieces depicting different aspects of the natural world.

For the "Seaside" she used bleached sticks and muted colours with a little gypsophelia to suggest sea foam, which was very effective.

Her style is naturalistic, allowing plenty of space into a design so that the flowers are the real stars of the show and the overall impression is of lightness.

The "Spring Garden" arrangement illustrated this well with groups of plant material in a line at differing heights and densities giving a lovely interpretation of a garden border.

"Rocks and Minerals" was a complete contrast as she used exotic leaves and flowers to give a bronze, red and orange overall look complemented by the beautiful copper container. Whilst working, Judith entertained members with stories of a visit she made to the West Indies to train other aspiring judges and some of the characters she had met through her work, which was fascinating.

May 3rd is National Flower Arranging Day and members will be taking part again this year with arrangements in Potbury's and Bliny's windows.

Edited highlights for probus club

SEATON: The meeting of Seaton Men's Probus Club on April 17th was the last formal session before the summer break, and members were treated to a very amusing talk by Colin Dean, entitled "Edited Highlights".

Mr Dean spent 12 years editing a magazine on family history, and also edits his parish magazine, and these provided the background for his talk, which offered many examples of the traps that lie in wait for the inattentive editor. A missed letter or added letter, or a wrong letter, can completely change the sense of a sentence, often with hilarious – or embarrassing – results.

Examples included swindling instead of dwindling, effluent instead of affluent, medication in place of meditation. The failure of some schools in recent years to give children a good grounding in grammar and punctuation leads to mistakes being made unwittingly. But some mistakes are made deliberately, especially in advertisements, in order to attract attention, and this can be a quite effective marketing tool.

Seaton and District Men's Probus club is open to retired or semi-retired men. Informal meetings will take place fortnightly over the summer, with formal meetings resuming in October.

HONITON: Honiton WI have had to change the date of their next meeting due to unforeseen circumstances. Their next meeting, therefore, will be on May 13th from 2pm to 7pm at the Methodist Chapel.

Impressed by new pool

■ *Re: Pulman's View from Seaton article, April 16th – 'Celebrations as pool is unveiled'*

I attended the official opening of the school swimming pool and was impressed.

It will not be of use to my group,

The Bellini Bathers, for various reasons, as we are mostly mature ladies who might have difficulty walking to the entrance and don't like communal changing, etc.

But some may go to the aquafit

on Saturdays and it will certainly be good for when our grandchildren come to stay.

I must add thanks to those who put on the refreshments, the cakes were gorgeous.

Celebrate the good and great of Seaton

■ HAVING just returned from the beautiful town of Weil der Stadt in South West Germany, and enjoyed the friendship and generosity of so many people who are now good friends, I was once again uplifted and inspired by the community spirit of the wonderful people of Seaton.

Seaton Town Council hosted its Annual Town Meeting and I am so proud of the many town groups that attended the meeting and then took the time and energy to speak in front of a packed town hall. The atmosphere was amazing and to my delight as I looked around at people that I have known for many years.

I saw Laura had come along, a much accomplished young Reporter from your paper. Laura is so courageous and hard-working, attending the monthly town council meetings and listening to the debates and discussions of us councillors and reporting the news in such a fair and honest and professional way. I want to give thanks for all the news of Seaton that reminds us of the great activities and projects being achieved for this outstanding town.

Many thanks to all the people that came along and reminded us, of the great and positive things about

Seaton. With all the weekly, monthly and annual events going in Seaton, there is certainly much available to everyone, whatever your age, your interest, and your ability. Venues used and recommended for use to others included the wonderful town hall, and the many churches. Thank you to all the managers of these venues.

So let us celebrate all that is great and good about the people of Seaton.

Care and support the community groups. Join a group, actively support the group, go to events, enjoy as much as you can in Seaton.

I would also like to thank the many business owners who came to the meeting.

Please care and support the businesses in Seaton. Walk around Seaton and you will be pleasantly surprised at the choice on your doorstep.

Each of us can share the responsibility of caring and supporting Seaton.

Let's make this year of 2013 the very best for Seaton.

*Cllr Sharon Bruce
Seaton*

Is Seaton disappearing?

■ NOW that the East Devon asset strippers have finished with Seaton (hopefully), it appears that we have become invisible.

The BBC Countryfile programme on the recent visit to film the splendid work done by our wonderful volunteers at Seaton Marshes were unable to see Seaton. No doubt they were advised by East Devon, but unfortunately they could only see Axmouth, Beer and of course Lyme Regis, but Seaton must have got lost on the mist.

Perhaps it was that ugly carbuncle in the front of

one of the finest views in Devon that prevented it. But perhaps not, since on a return visit to film the Undercliff they declared this unique gen on the Jurassic Coast near Lyme Regis. This is true of course, but it is nearer Seaton.

Maybe they know something of which we Seatonians are unaware.

Is Seaton going to disappear from the map of England?

*Audrey Stenton

Seaton in Bloom needs you!

■ WE have reached that time of the year when I ask for your support and generosity in sponsoring a floral display to make the town look beautiful this summer.

The whole of the cost of this falls on the town with leadership and funds from the town council supported by donations and sponsorship from others in our community.

A successful submission in the Britain in

Bloom Competition will need to show involvement and support from all sections of the community. This should be in terms of a financial contribution or physical help in planting and maintaining the displays.

We are pleased to say that we won a silver gift award in the 2012 competition and this was only achieved by your help and support.

Last year 5,000 plants were planted, watered and maintained by just three people and much praise is to be given to Mr & Mrs Widger (Scalwell Lane Nursery) and Craig Nation (Seaton

Town Council's Handyman).

The displays looked fantastic and we had much praise from residents and holidaymakers.

The Seaton in Bloom Committee have already enlisted help from the community and organisations.

However, we need the whole town to pull together to make this year a turning point for Seaton.

In these troubled times we do need to pull together as a unit to show that Seaton can lead the way.

We do hope you will support our entry into

Britain in Bloom 2013 and thank you for taking your part in making Seaton look extra special in 2013.

If they would like to sponsor a floral arrangement in the town, please contact Marie Prideaux on 01297 21388 or pop in to the town council office based at Seaton Town Hall on Tuesday, Wednesday or Thursdays.

Hawkchurch pupils jump and skip for heart charity

THERE was a sea of red in the playground at Hawkchurch Primary School when staff and pupils skipped to the beat for a healthier heart.

Joining in the British Heart Foundation "Jump Off" campaign, the playground was filled with children who had been practicing hard for the awareness event.

Children arrived to the event wearing red clothes and costumes, as well as red face paints, before they took themselves outside for several hours of skipping, hopping and hula hooping.

Pupils and staff had been practicing their skipping skills over the past few weeks for the national event, working

together to learn new skipping techniques such as the "egg beater" and "double under"; learning the importance of exercise and keeping their hearts healthy.

Clare Cleverly, event organiser at Hawkchurch Primary School, said: "Preparing for the jump off has given our pupils a reason to get active, not to mention having fun."

"The 'Jump Rope for Heart Scheme' helps us encourage healthy habits, whilst creating a more active ethos in school."

"It's been a fantastic event for school, teachers, and pupils."

Pre-school open day

A FLEDGLING pre-school group has issued an open invitation to families wishing to have a closer look to find out more about the place.

Farway Primary School set up Farway Fledglings Early Years Group following the closure of a pre-school for the under fives in the village.

The project has had a successful start but leaders are keen to spread the message and attract more children to remain open.

One of the leaders, Karin Forsyth, said the group offers children "an excellent range of stimulating activities to promote individual development".

She added: "Please come along and visit us. We are desperate for children in order that the group does not fold like the pre-school did."

"We would love to meet you and introduce your family to our outstanding setting."

Anyone interested in visiting can call Angela Potter or Karin Forsyth on 01404 871239 for more information.

HAVING moved to the beautiful town of Seaton last October, we thank the loyal and long-standing customers of Osbornes, who enjoy shopping with us wherever our shop is located and also enjoy shopping in other businesses in town. The favourite of course is the Pasty Shop just up the road from us! We also have been welcomed and supported by the friendly people of Seaton and visitors who regularly shop in Seaton.

There are many delightful shops and cafes and businesses in Town. So many of our Community walk or catch the bus into town daily and now with

Spring arriving, and following the successes of the Grizzly weekend and the Easter Festivities, people are out and about.

Care and support Seaton because :

- There is much to enjoy with the many organised activities.
- Shopping is easy with choices of essentials such as Bakeries and Butchers and for the men – underwear, socks and hankies! And about 50 other businesses.
- We are blessed to live in an Area of Outstanding Natural Beauty, designated as a World Heritage Site and along the magnificent Jurassic Coast.

Kidz@Play Seaton Primary School

KIDZ@PLAY has been operating at Seaton Primary School since 2005. It is run by a team of experienced and qualified playworkers who all share the desire to make this programme fun and exciting for the children who attend.

Catering for children from 3 – 16 years, the purpose of Kidz@Play is to provide parents and carers with a safe and secure childcare setting during out of school hours (before and after school, and during school holidays). We are pleased that this facility is used by children from other local schools as well as Seaton as it provides a place where children can meet and socialise with friends, old and new.

Being located within school grounds allows us to take full advantage of outdoor facilities – the playground, school field, climbing equipment and the wonderful indoor pool. In addition, during the holidays we coordinate trips to local amenities. The feedback we receive from parents, and more importantly children, is extremely positive. It is our desire that those children who attend will enjoy their time at Kidz@Play, look forward to coming back, contribute to their activities and hold fond memories of their time here.

All children are welcome regardless if parents are working or the children just want to come and play! Why not come along to one of our Open Evening sessions (see our advert, page 6).

Budleigh Salterton Male Voice Choir to appear at Seaton Town Hall

THE Choir is delighted to be singing for Seaton and District Lions Club on Saturday 11th May 2013 at 7.30pm in Seaton Town Hall. Their special guest for the evening is Dorothy Ferrier. This is her debut appearance with us, she will be singing solo and also duetting with our very own John Brindley from the Baritone Section. Tickets cost £7 each and are available from The Gateway, Seaton Town Hall Box Office on 01297 625699 or from David on 01404 41378 or on the door

Based in the seaside town of Budleigh Salterton in East Devon, the Choir was founded in 1974, under the musical direction of Pamela Jones, now the Choir's Life President. The current director Peter Good is the choir's fourth musical director, having replaced Allen Coles who retired

in January 2012 after 15 years' service to the choir. Allen now sings in the first tenor section, and a very welcome addition he makes as well.

In 2012 Budleigh Salterton Male Voice Choir had an amazingly successful year raising in excess of £13000 for local and national charities through their concerts. All monies raised from concert ticket sales are kept by the charity concerned as the Choir makes no charge whatsoever for its appearances.

During last year the Choir sang in Dartmouth and Taunton, as well as locally in East Devon towns for such diverse charities as the Rotary Club, the Newcomen Society and Go Commando. Singing some old favourites coupled with several new songs learnt and performed during the year, including March and Entrance

of Peers from Gilbert and Sullivan's Iolanthe, the Fields of Athenry (music donated to them by the widow of one of their most popular men making it a particularly poignant piece to sing), The Hippopotamus Song by Flanders and Swan which

unusually features the Bass section singing the tune, and several others which have gained their place in the repertoire.

All details about the choir can be found on their website www.budleighmvc.co.uk

We welcome both novices and experienced players and organise coaching sessions if needed. We are holding an open morning on Saturday 4th May from 10.00 to 12.00. All the equipment will be provided, just wear flat shoes and come along and have fun.

In the winter we play skittles and short mat bowls in the clubhouse and also have social events.

Healthy You

ANXIETY stress fear phobia, all stop you from being the best you can be.

A positive body image is one that we should all strive for. When you know yourself and who you are and are ok with yourself then everything is worth while. Hypnosis can help you believe in yourself and like yourself while still striving for something better, the best possible you, you can become. When you have a positive body image, no time is spent obsessing about food, weight, calories, or exercise.

Take a look at the people closest to you. Are they positive or negative people? Chances are if they are negative this attitude will reflect on you and your attitude. Try to limit your time with negativity, as this will only make you feel bad about yourself.

Hypnosis can help you to start feeling good about yourself and learn to accept yourself. Little by little you will notice changes that have occurred. Learn to be on your own side instead of always being against yourself. Put your shoulders back, hold your head up and quit thinking about what you're not. Love the person you are and the person that you are becoming.

Hypnosis isn't what many think, it isn't sleep, and no one can control you, it is just a way to assist you to make changes possible using suggestions that are acceptable to both your conscious and unconscious mind.

Michelle is an experienced therapist, who is also a senior lecturer with the London College of Clinical Hypnosis.

You can change so many things, if there is something you want help with contact Michelle and see if she can help you to take control of your life.

I would like to welcome you to Complementary Therapies at Bliss Therapies.

My therapy room is based at my home in Sidmouth and home visits available too, also therapy room @ Mind Body Soul, Fore Street in Seaton one Saturday per month from 10 am until 4 pm.

The therapy room is comfortable and relaxing, I provide heated massage couch/foot spa bath/lafuma recliner chair with holistic music to create a soothing ambience with scented candles. Relax...Rebalance... the wellbeing experience to holistic harmony!

Reflexology is a specialised form of compression massage, applied to the feet with the fingers and thumbs. Every part of the body has its corresponding reflex point on the feet. By working over the reflex areas on the feet, imbalances in the energy pathways may be detected. Reflexology can help to rebalance the body as a whole.

Indian Head massage is a calming and yet energising massage focussing on vital energy points on the face, head, shoulders and upper back. If you are stressed, angry or tired, tensions tend to accumulate in these areas resulting in stiff necks, sore shoulders, headaches and eye strain. It can release blockages and so relieve build up of tension.

Holistic body massage is a deep tissue massage that eases away body tension and loosens tight knotted muscles. This deeply relaxing and yet invigorating massage can bring great relief to those who suffer from aches and stiffness especially shoulders and back. The holistic massage includes an amazing facial massage!

About me!

Acupuncture can improve and maintain health, energy & enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.A.C.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

Re-launched AVLOC present The Mikado

YES we are back!

The re-launched Axe Valley Light Opera Company (formerly AVAOS) is proud to Present "The Mikado" by Gilbert and Sullivan. This comic opera was first presented at the Savoy Theatre in London in 1885 and ran for 672 performances and set up a record at that time.

And we are now at Seaton Town Hall for just three performances on Wednesday, May 1st, Friday, May 3rd and Saturday, May 4th with tickets available at the Box Office in the Town Hall. Our Gala night is on Wednesday when a finger

Chairman AVLOC

buffet will be served.

Our invited team of talented Soloists lead the Chorus in the "Ups and Downs" of a typical G and S Operetta with much "Bow Down and Hailing" with the added complexities of "Suicide by Self Decapitation" - quite difficult to perform - and dramatic "love affairs". This has kept the cast and young ladies quite amused by instruction from our Producer June Millman.

With excellent support from a full Operetta Orchestra led by Musical Director, Ian Brown, who has built on the groundwork of our dedicated rehearsal pianist Geoff Butler, your enjoyment is guaranteed - well nearly!

I do hope that you are able to support us and rush to the Box Office at the Town Hall before they sell out!

Open day at Axe Cliff Golf Club

AXE Cliff Golf Club is an undiscovered gem for a lot of people in our area, with fantastic views over Seaton and Beer, whatever the season. Even at night the mass of twinkling lights which stretches along the coastline takes your breath away.

Even just a cup of tea or coffee, which includes latte, cappuccino and of course the ever comforting hot chocolate. The club's Sunday lunches are perfect to sit down, relax with a large glass of red wine, and let someone else take the strain of the cooking! Booking is required for the Sunday lunches to avoid any disappointment. Parking is free to clients, and the large patio area is ideal to look out over the wonder of the Jurassic Coast.

If you are considering taking up golf or are wishing to join a club, Axe Cliff Gold Club is holding two Open Days on Thursday, April 25th and Saturday, May 4th, and are offering a complementary game of golf on those days to show what Axe Cliff has to offer!

If you are thinking of celebrating a special occasion, why not come and see for yourself what the club can offer. They have a wonderful clubhouse, with excellent facilities and can cater for all budgets. The club is also an ideal location for those special occasions like Weddings, Christenings, Birthday's etc, throughout the year, tailoring to your individual needs.

To discuss any requirements you may have please contact Peter on 01297 21754 or feel free to just pop up and see us.

Wendy is breakfast winner

After featuring the new menu and The Harbour, we asked readers to identify the American city that influenced some

of the dishes introduced by the Valentine family who run the pub as well as The Wheelwright in Colyford.

The correct answer was New York.

The winning entry drawn out by the editor was submitted by Wendy Hayden, of 73 Beer Road, Seaton.

Bread will be baked onsite, in front of visitors, on the new bread and patisserie stall, and the smell of bread, croissants and patisseries should hopefully spread in the whole town centre. The Charcuterie will also be in attendance with wonderful sausages, olives, Turkish delights, smoked ham and terrines,

REPORTS

CHAGFORD 2 SIDMOUTH TOWN RES 0 Division Four

SIDMOUTH returned from their base-meat battle at Chagford beaten 2-0 in a game they should really have won.

With both teams fighting against relegation it was always going to be tight, and it was the Vikings that looked the best bet to score.

But it was Chagford who went ahead from a very good finish on the half-hour and despite creating plenty of chances it stayed 1-0 at the break.

A little change in formation saw Sidmouth totally dominating the play and their hosts were reduced to long hopeful punts out from defence.

But try as they might the ball wouldn't find it's target and in a rare break the hosts scored the killer second with two minutes remaining.

A dejected Vikings manager Nick Ogden said: "Everyone is quite down at the moment, but we have to buck up quick and work hard to get the points we need.

"Some of our finishing was horrific and we really should be doing better. I thought we created enough chances to have won three games! But if you can't score you won't win.

"We now have four home games to come and we need to pick up at least three wins". Kieran Small was Sidmouth MoM.

ROUND-UP

FENITON are clearing a space in their trophy cabinet after they repeated last weeks 3-1 victory against MORCHARD BISHOP to edge within touching distance of the Premier title.

The village side are eight points clear and beaming with confidence as they swept to their 20th league victory with Dave O'Connor and two-goal Mark Simic finding the net. Ryan Piper replied for Morchard.

ST MARTINS and HATHERLEIGH TOWN, the only teams who can catch Feniton, battled out a 0-0 draw at Minster Park, and will meet again next weekend probably to decide who will be runners up.

Saints overall had the better chances and had a goal disallowed for offside but Hatherleigh keeper Ryan Walter was in great form.

Kenny Smith stole the show for HEAVITREE SOCIAL UNITED with five goals in their 7-2 win against BUDLEIGH SALTERTON. Callum Hoare had the other two. Brett Gloy and Richard Higham replied for the

Robins who now have to apply for relegation to Premier.

NEWTOWN crushed TOPSHAM TOWN 4-0 with substitute Corey O'Donoghue getting four goals. Fergal O'Rourke and Steve Kerswell also scored. Newtown beat SEATON TOWN 3-1 in the semi final of the East Devon Senior cup at Newton St Cyres. Glenn Gould scored the Seaton consolation.

Seaton won 5-3, with Josh French scoring twice, at the UNIVERSITY on Saturday.

CHARD TOWN stepped up their hopes of the Division One championship when they powered to a 6-0 win against WITHERIDGE, but they face stiff opposition from BOW AAC 4-0 winners against TIPTON ST JOHN.

Gavin Coles 2, Will Hawkin and an own goal did the job for the Bowmen.

TIVERTON TOWN are into the top three after their 2-0 victory at COLY-

TON whose days look numbered. Division Two champions ELMORE suffered a rare 6-3 defeat at COLATON RALEIGH who still have an outside chance of promotion.

BICKLEIGH won the top game 2-1 at DAWLISH UNITED and take over second place from the Sandy Gate team.

HEAVITREE SOCIAL UNITEDS third team are the Division Four champions. The Heavies were away celebrating a stag weekend but their crown was assured after their nearest rivals CHULMLEIGH crashed 3-0 at AXMOUTH UNITED. Charlie Clarke 2 and Asa Sandman were the Axmouth scorers.

WOODBURY are also promoted after they won 4-1 at SEATON TOWN, Craig Leaman scoring twice.

AMORY PARK RANGERS and FENITON are still not quite promoted from Division Six despite winning their respective matches, and FLUXTON won the big game in Division Seven 3-1 at leaders HALWILL.

TIVERTON TOWN RESERVES carry the hopes of the League in this thursdays Firewatch Devon Senior cup final.

The Yellows play WINDMILL FC from the Plymouth League at Newton Abbot with a 7pm kick off

'East Devon Way' blitzed!

AXE VALLEY RUNNERS

with Dave Mutter

THERE was an air of expectant anticipation at Beer Club last Saturday evening as representatives from over 60 various organisations waited to collect donations from AVR for their help during this year's Grizzly.

After club chairman and race director Garry Perratt gave the introductory speech it was over to Marshal Maestro Rick Wood to hand out donations to water station helpers and marshalling groups.

Then Mark Hilder presented donations to those who helped around the Seaton area during the event.

Each representative gave a short explanation on how the money would be spent, with most helping the local community in some way.

Altogether this year £30,000 was handed out, with the Flamingo Pool at Axminster receiving a special donation of £5,000.

This now means that a total of £273,000 charity donations have been generated by the Grizzly in its 26 years of existence.

After the donations were handed out, a somewhat reluctant Garry Perratt was thrown into the spotlight with a special presentation to thank both him and his wife Marie for his seven years as race director.

During this era the complexity and regulations for putting on events have increased enormously.

He will remain as the club chairman, but has now handed the Grizzly reins into the very capable hands of Dave Thomas and the Grizzly Committee.

We wish them all well and look forward to next year's event with great excitement.

◆ On Saturday, Alex Todd and Matt Clist ran the **East Devon Way**, a hilly

40-mile inland route from Exmouth to Lyme Regis.

Garry Perratt started with them but was struggling by half way and bailed out at Colyton after 30 miles.

Alex and Matt then picked up the to reach the end of the Cobb 6 hours and 38 minutes taking more than half an hour off Tom Bland's record.

HONITON RUNNING CLUB

with Judy Davey

ON Sunday, 21st April, three Honiton Running Club members joined the 35,000 others to stand on the start line at the **London Marathon**.

Hadleigh Davies who was running for CLIC Sargent was delighted to finish in 3 hours 28 minutes.

Judy Davey was less than two minutes behind and was just 14 seconds outside 3:30 having had the 3:30 pace maker overtake her on The Mall within spitting distance of the finish.

Nevertheless, she was delighted with her performance coming 25th overall in her age category.

Juliet Hall joined the beginners group at the club last year and, running for The Donkey Sanctuary, she ran all the way and finished in 4:52 – a great result. She's now inspired to run Amsterdam Marathon and try to beat her time.

Last Saturday, three Honiton runners headed off to do the **Haldon Heartbeat**. The eight-mile race starts and finishes at Exeter Racecourse.

The first two miles is a loop on top of the hill close to the racecourse followed by a long descent on forest roads and paths into woods.

After a steep muddy climb that most have to walk, the route heads back towards the racecourse with several more climbs before regain-

ing the top of the hill.

First in for Honiton was Ian Stewart with a very good 17th place in 56:57; next home was Rod Inglis 60th in 1:03:24 and finally John Burgess, 105th in 1:10:12.

John was particularly pleased as he came third in his category having over-taken the 4th placed runner a few yards from the line.

The race was won by Lee Turner of Torbay AC in a time of 49:15. There were 193 finishers.

On Sunday four Honiton runners ran the **Plymouth Half Marathon** which starts at 9am. Over 3000 runners on Plymouth Hoe observed a 30-second silence at the start of the race to remember those killed and injured in Boston.

The race was won by Tadele Gerede from London in 1:09.

For the Honiton Roger Saunders finished as 452nd runner in a time of 1:41:16.

Mark Dallyn came in two seconds immediately behind him to smash his previous PB at 1:51:51 with 1:41:18.

Steve Briggs also finished 664th in 1:45:20. Graham Reeves also started the race but was seen hobbling off at Saltram obviously with some kind of injury.

Howard Bidmead travelled to Arlington Court in North Devon for a race advertised as one of Devon's most beautiful and tough off road 10k's.

Howard ran well for the first part of the race but suffered when an injury sustained on the Grizzly forced him to slow down considerably for the last 5k.

Despite this he still finished in 49mins and took the award for the first male vet O55.

Colts reach Devon Cup Final for third time in history

Devon Colts Cup Semi-Final
Sidmouth Colts 24
Ivybridge Colts 8

SIDMOUTH COLTS produced an outstanding performance to defeat Ivybridge and win a place in the final of the Devon Colts Cup for just the third time in the history of the competition.

In perfect conditions, a large crowd were treated to a game of high quality between two very skillful and committed teams.

On the day Sidmouth won the tactical battle, but still needed to produce a titanic defensive effort to repel the visitors second-half onslaught.

Ivybridge started the match strongly and deservedly took the lead with a penalty after five minutes.

Sidmouth immediately showed their attacking intent, and potential, when they ran back a clearance kick following the restart kick.

Charlie Cotton's run up the left wing was halted only metres short of the line. However, he had put his side in an attacking position, which was rewarded by an equalising penalty kicked by Jay Wright.

A few minutes later Wright kicked his side into the lead with a second penalty after an Ollie Blyth break had put pressure on the defence.

A slick-handling move produced the first try of the game as a scrum enabled James Dyer to join the line at pace and time his pass perfectly to send Charlie Cotton in at the corner.

Ivybridge responded almost immediately

when their hooker forced his way over at the end of some trademark forward driving.

In the closing minutes of the half Ivybridge paid dearly for trying to kick for position out of defence, rather than finding the safety of touch.

Twice the ball was run back to produce decisive tries when James Bramley finished off a superb piece of inter-passing down the left wing before Charlie Cotton touched down his second try after James Dyer had made the running.

Both tries were unconverted leaving the half-time score at 21-8.

Jay Wright increased the lead with a penalty two minutes after the restart. But that was the signal for Ivybridge to up their game and keep Sidmouth pinned inside their own half for much of the remainder of the game.

The Ivybridge pack hammered away at the Sidmouth line but met a rock-solid defence. Christian Goddard tackled like a fourth back-row forward to compliment the excellent work of skipper Bramley, Gavin Pearson and Sam Carlisle.

When Bramley and Carlisle were forced off by injury, there was no let-up in the defensive effort. Tom Reed took a vital five-metre scrum against the head before props Dan Rugg and Haydon Down brought off try-saving tackles in quick succession.

The front row union will be glowing with pride.

The Sidmouth kickers did not make the same mistakes as their opponents by finding touch with their clearance kicks and, when they won

two lineouts against the throw, they were at last able to ease the pressure and play out the final minutes for a well-deserved place in the final.

Cup Final

ON Sunday, Sidmouth Colts with travel to Okehampton to face Okehampton in the final of the Devon Colts Cup.

Honiton End Disappointing Season

HONITON ended their season on Saturday with a disappointing performance as they lost 40-10 to mid-table Kingsbridge. The already-relegated first XI finish the season with 20 points to their name, at the very foot of the table, with a record of three wins, zero draws and 23 losses.

Youth Rugby - Under 16s
Exmouth 31 Honiton 37

HONITON'S Under 16's travelled to Exmouth for their last official game of the season and on a cold dry and blustery day Honiton signed in of style with a narrow but entertaining win.

Contests between the two sides have always been close and this was no exception as both sides threw the ball around in a high scoring encounter.

The Lacemen crossed the white wash first when Johnny House managed to chase a well-placed ball. Then Ben Kidson added to the score when he took a good line following a good off load from his skipper and Honiton were 10-0 up.

Exmouth bounced back and they then scored

twice but converted both to take the narrow lead. Honiton got back in the driving seat when Harry Wright scored and at the break Honiton were 17-14 up.

Honiton continued to apply pressure and a charge down bounced kindly for Connor Long who crossed for another score for the Lacemen.

With tails up Honiton drove the advantage home and good play all round saw Richy Webster score twice.

Back came the Cockles and Honiton were maybe a little guilty of sitting back on their lead and the home took full advantage and scored twice.

Harry Wright steadied the ship when he broke out wide and cantered in a long range try. Exmouth didn't roll over and scored again which meant Honiton had a narrow 37-31 lead which fortunately they managed to keep until the final whistle.

WATER Babes were in action against Pixies who started six goals adrift.

By half way Pixies had moved into the lead at 40-37 and then continued to move ahead, to finish 52-37 winners. Sara Green was the Pixies star whilst Rowan Bradford was the pick of the Babes.

After starting 0-26 against Tip Top Trees who had Laura Dane in fine form, the Flamingos got on level terms in the third quarter and forged ahead to win 49-38 thanks to some good play from Rachel Burrow.

Last week Signs South West got off to a good start with a win against Updownman, whilst Hi Q had lost narrowly to Flamingos.

Tonight Hi Q started two goals in front and by quarter time were 29-23 ahead. With Laura French in great form, Hi Q had the better of the second period and by half way had increased the lead to 40-26.

Debbie Wheeler then led a fight back for SSW and the arrears were reduced to 36-47 going into the final period.

The last quarter went goal for goal with Hi Q gaining a fine 55-43 victory.

OPG were in action for the first time, and they were up against Updownman, looking for a win after their opening day defeat.

Updownman had started the game 8-2 ahead but by quarter time OPG had pulled back to 12-13 thanks to good work from Kirsty Wackley.

By half time the game was on a knife-edge with the score all square at 23-23. In the third period Andrea Britten began to pull the strings for Updownman as they moved 36-31 in front, a lead that proved crucial as OPG tried hard to get back but with Updownman holding on to win by 43-39.

Howden hawks opened their campaign with a win over Otter Valley Dairy.

Despite starting four goals behind they battled hard to record a 59-51 win – with Tara Andrews the player of the game for Hawks and Pippa Wright the player for the Dairy.

After the first week it was Sidmouth Toucans who had topped the table. Tonight they were up against JD Tyres who had also had a winning first week.

The game was a closely contested affair with Toucans 45-44 ahead at half way and 53-52 up at the start of the final quarter.

Last week they had turned in a devastating final period to clinch victory and tonight they did it again.

With Jo White pushing them on they dominated the final quarter to win by 65-56 and retain the top spot.

Nothing that Helen Freemantle or the other JD players could do could stop the Toucans blitz!

bowls terry trott comp
Victory for Cerne Abbas

ON Sunday 21st April 48 pairs arrived at Cloakham Lawns to compete for the Terry Trott Fours Trophy, the maximum number of entries that the Cloakham rinks can accommodate writes Chris Young.

Twent three pairs came from The East Devon leagues, a further nine from Devon Clubs, North and South, while ten had crossed over from Somerset, six from Dorset. Some were playing for the first time, most were returning - including many previous winners.

There were some large wins during the morning round-robin games, with experience winning over enthusiasm. The top two or three of each group progressed to the knock-out stage.

Traditionally the group winners do not necessarily survive, but this year saw just three runners-up progress over group winners as far as the quarter finals. All four semi-finalists were previous finalists and both finalists were previous winners.

Two "Pairs" reached the quarter finals; for Musbury both the POM Bears and the Trotter Independent Traders each lost out by a single shot while the two Birchfield "Hawaian" pairs also lost.

In the semi-finals Upottery City Farmers and Beer SAS shared the lead, Beer initially ahead, then Upottery until the last end when Beer's single shot tied the match.

In the play-off Beer's one shot settled that tie. In the other semi-final West Hill Caribbeans led after the first end, then dropped behind the Cerne Abbas Gruesome Two-some until they drew level at the sixth end but lost their momentum and the match 7-5.

June Balbinski and Anna Booth of Cerne Abbas repeated their semi-final performance in the final. 5-2 up after four ends they conceded four shots to Peter Sydenham and Geoff Stone before coming back taking the last two ends with a 9-6 win to regain the pairs title they held three years ago.

Cerne Abbas also regained the Terry Trott trophy; Eugene Balbinski and Keith Buckland had won all their round-robin games and although they did not progress in the knock-out phase the six points they gained were sufficient to win the trophy by one point.

SEATON Town U11s went into Thursday evening's match against second-placed Exmouth with their Division 2 title chances still alive, but the team needed to win their last four games of the season.

Seaton had more of the possession in the first-half but Exmouth scored first, Seaton though soon equalised through Reece McCabe to level the score at 1-1 at half-time.

The second-half was very competitive with Exmouth going into the lead twice, but each time Seaton came back at them, both Seaton goals scored by Edward Kenworthy but the game ended 3-3.

This game took its toll on the young Seaton players with two of them limping off the pitch and one going to hospital the next day for an x-ray, so on Saturday Seaton travelled to Tiverton to play Moors Youth with a depleted team and went down 5-2.

Under 14 Wellman Cup Semi Final

Seaton U14 1 Honiton 0

SEATON were undoubtedly the underdogs going into this semi final against league leaders Honiton.

After a goal less first-half it was Jacob Rowe who finally managed to break the deadlock with what proved to be the winner. Man-of-the-Match was captain Ollie Binion.

Next week Seaton are in the semi-final of the Stanley Trenchard cup against Colyton at home.

MONTHLY STABLEFORD

WE'RE back onto Tees and Greens at last which certainly seems to suit Jake Phillips. He followed up last week's three-ball event with a win in his own right, taking the Division 1 honours with a glorious 44pts ahead of Alan Jackson and Dan Noar 38pts.

Steve Bowyer Thornton led the Division 2 charge with 40pts ahead of Steve Charlton 38pts and John Fleetwood 37pts.

TUESDAY MIXED

A LARGE field enjoyed the sunshine and played a team Stableford competition, 2 best scores to count.

The winners with 88pts were Stephanie and Bob Barnes, Cherry Liell and Club Captain Dave Morgan.

In 2nd place with 85pts on c/b were Ann Trayling, Olwen Eaton, Club Vice-captain Ron Graham & Jason Gosling.

In 3rd place just losing out on c/b also 85pts were Dot Grove, Carole Booth, Robert Hendrick & John Pugh. Lady Vice-Captain Elizabeth Davies presented the prizes.

On Sunday Honiton played a Friendly Mixed Match at home against East Devon organised by Jan and John Dickinson with Honiton just losing 4 1/2 to 5-1/2.

LADIES SECTION

AFTER last week's disastrous weather paid to any play, it was a great relief to be able to go ahead with the Foursomes Stableford this Wednesday and the scores were very close, with only 1 point separating each place.

First, with 36 points, were Sue Ritchie & Lesley Oxenham, 2nd Elizabeth Ward & Mona Carter with 35 points, 3rd Jane Watts & Jenny Raison with 34 points.

Played alongside this competition was the qualifying round for the Killard Leavy and the winners of this were Elizabeth Ward & Mona Carter. Jane Watts & Jenny Raison were runners up.

SENIORS SECTION

SIXTY EIGHT seniors contested the Anniversary Salver on a cold and breezy day with some sun and some hail.

This did not stop one pair from running

away with the silverware in the 4 ball better-ball event.

David Hughes & Ashley Murray scored a creditable 40 points and were each presented with a salver by Bob Underwood.

Seniors captain. Jim Wallis & Alec Lynn were runners-up with 37 points, separated only on countback from the pairs of Don Stroud & Ron Jones, David Morgan & David Ive with Buss Harris & Howard Pritchard taking the last prize.

AXE CLIFF with Janet Dack

SENIORS

THIRTY two Seniors took part in the recent April Stableford.

Although conditions were reasonable, scores were not as good as anticipated and the competition was won with 35 points by Phil Wilkins (18).

In second place was John Pugh (18) with 33 points while two players contested third spot with 32 points.

On countback John White (20) edged out Roger Hill(17) to complete the prize list.

MAIN CLUB

LAST Saturday the B team under the Captaincy of Geoff Greenslade went down by 5-2 at Sidmouth.

On Sunday Club Members played for the Seve Memorial Trophy in teams of three with the best two scores to count.

First place sent to father and sons team Cyril, Anthony and Andrew Hellier with 76 points way ahead of second place winners Alex Palmer, Simon Sweetland and Chris Glover.

Geoff Greenslade and Dougy Board both recorded 2s.

LADIES

VICE-CAPTAIN Glenda Board was the only winner for Axe Cliff when the ladies travelled to Bridport for a recent friendly match.

Last Wednesday, in spring sunshine, the winner of the E.G Medal was Helen Kenworthy (also winning the Centenary Cup) with a nett 73.

Margaret Kechington was second with a nett 74, and is at the moment leading in the Freddie Newbery Trophy for the least number of putts over two rounds with 31 putts.

Club bids to break world record

HONITON could be the home of a new world record next weekend as gymnasts from Honiton Gym Club attempt to break the world record for completing the most number forward rolls in one minute.

The event, on Saturday, May 4th - which will also include a further challenge to complete 1,000 backflips in 30 minutes - is being held to help raise funds for gymnasts attending the Geneva International Acrobatics Cup.

"It should be a fun and exciting event," said high performance coach James Reddy. "We're expecting gymnasts, coaches, mum's, dad's, brothers, sisters, friends and even some grandparents to have a go at breaking the world record for forward rolls.

"It currently stands at 69 in 1 minute - so we're expecting some dizzy participants at the end of the afternoon.

"We're following strict criteria and videoing everyone that takes part so that we can send the best attempts to Guinness World Records for official verification."

All entrants will pay £1 to enter, and all proceeds will go towards the travel costs of those representing the club in Switzerland at the Geneva International Acrobatics Cup at the end of May.

The challenge is open to anyone, so Honiton Gym Club is encouraging as many people as possible to get involved.

In addition to the forward roll chal-

lenge, Honiton's international acrobats will also be taking part in a sponsored backflip event.

As the walking distance from Honiton to Geneva is 1,000 km, the 15 gymnasts will attempt to perform 1,000 backflips in just 30 minutes.

"Some of our gymnasts can perform more than 10 backflips in a row, I'm confident that they can complete the challenge, but they'll certainly be tired at the end of it," added James.

"The main thing is that they raise a good amount of money to help make their trip possible, so I'd encourage as many people as possible to come and support them...and possibly get their names in the record books!"

Among the gymnast gong to Geneva are recent British men's pairs bronze medallists Buster Tutcher and Ashley Wallis, a host of gymnasts that recently competed at the British Championships, and other performers from the club's acrobatics squads.

Anyone wishing to join in the fun and either attempt to break the forward roll world record or watch the sponsored backflip event is welcome to join Honiton's gymnasts in the dance studio at Honiton Leisure Centre on Saturday, May 4th at 1pm.

The event will continue until approximately 3pm.

Vine hat-trick boosts Axminster run-in

Grizzly efforts rewarded

AXMINSTER Town bounced back the previous week's embarrassing no-show at Stoke Gabriel to record their first South-West Peninsula League Division One (East) win of the year as Alphington were beaten 4-1 in a clash at Sector Lane on Thursday evening.

Ben Vine was the star of the show with a superb hat-trick and Martyn Hancock chipped-in with the other.

But the Tigers couldn't back this up on Saturday when two goals from Hancock couldn't prevent a 3-2 defeat at Plymstock United.

Axminster, currently lying 11th in the table, were due to make the short trip to Manstone Lane tonight (Tuesday) to take on bottom-of-the-table neighbours Sidmouth Town.

Down in the Devon & Exeter League Seaton Town remain on course for a top five finish after Josh French (2), Mark Hancock, Cameron Vere and Sam Jones scored in a 5-3 win at Exeter University.

But 24 hours later the teams' East Devon Senior cup ambitions were ended by a 3-1 defeat at Newton. Glen Gould netted the consolation goal.

Next up for outgoing manager Josh Stunell's side is Saturday's visit by Morchard Bishop.

At the same time Beer Albion bring the curtain down on a decent season with a trip to Thorverton.

Down in Division One Colyton remain bottom of the table but were far from disgraced as they went down 2-0 at home against title contenders Tiverton Town Reserves on Saturday.

The Tanners travel to Tipton St John tomorrow (Wednesday) before two home games in the space of 48 hours (v Wellington Res on Saturday and Cullompton Res on Monday).

Elsewhere, goals from Charlie Clarke (2) and Asa Sandman saw Axmouth United continue their unbeaten record at Bosshill Cross in 2013 with a 3-0 win over Chumleigh.

The Hammers are due to welcome neighbours Axminster Town Reserves tomorrow and Heavitree SU on Saturday before a trip to University on

Monday evening.

Seaton Town Res difficult season continued with a 4-1 reverse against Woodbury at Colyford Road on Saturday. The team were due to entertain Exmouth Amateurs last night (Monday).

Over in the Perry Street League Millwey Rise were beaten 3-1 by Perry Street at Harry's Field after Levi Hoole (3), Sam Dibling (2) and Tristan Wakeley had scored the goals in a 6-4 win over Combe Res last Thursday.

Rise were due to face reigning champions Lyme Regis last night before Saturday's visit by Beaminster.

◆ *THE dates have been set for Millwey Rise Reserves' two outstanding cup finals.*

The Rise second-string will take on Combe A on Monday, May 13th in the Bill Bailey Final at Perry Street.

This is followed just three days (Thursday, May 16th) later by the John Fowler cup Final when Simon Flint's team will meet Ilminster Town A at Bridport FC.
